

ST. CHURCH.

The sermon was long and the preacher was young. The audience was soft and the cotter was easy.

NEWS AND NOTES.

Minnesota pays \$1 per bushel for grasshoppers. Mrs. Langtry is in New York writing a book about herself.

Prince Alois Schwarzenberg and a Lieutenant of the Hussars fought a duel at Vienna, and the former was mortally wounded.

It is said that gambling which has been one of the marked features of life at Long Branch, is to be suppressed the coming season.

Lucius Pond, once a Massachusetts State Senator, and who served a term in the Penitentiary for forgery, died at Worcester, Mass., May 21st.

A cablegram has been sent to Auckland, to be carried by the first steamer to Samoa, directing Admiral Kimberly to furnish the natives who heed them with rations.

If it cannot enter the Union tomorrow too much worrying should not follow to be excluded by too much worrying.

More oranges, lemons, limes, figs, and pineapples are consumed in the United States than in any other country in the world.

Calvin B. Macdonald, of Oakland, Cal., the veteran newspaper writer, delivered a lecture on local option in an Oakland church on May 2nd.

Present indications point to a railroad development in Nebraska for the year 1889, surpassing the expectations of the most sanguine.

A new Spanish industry of profit is the cultivation of tomatoes. Some of the importations last year bore 100 per cent profit, and the trade will be much developed this year.

It is estimated that American tourists will spend something like \$100,000,000 in Europe this year. In that case the prevalent European impression that America is peopled with rich folk, will be extended and confirmed.

Fungus silk must be washed in tepid water; soap must never touch it, as it makes it harsh; bring to drain without wringing after being well rinsed, then folded while very damp, rolled in a cloth, and ironed after twelve hours.

The French Government propose to ask the Chamber of Deputies to authorize the issue of bonds to the amount of 215,000,000, to enable the works of the Panama Canal to be proceeded with, pending the formation of the company.

Earthquakes were experienced on May 8th in many towns on the main land of both England and France. Among the places included are Portsmouth, Havant, Cherbourg, Havre, Brest, Granville and Caen. No damage was done anywhere.

Large tobacco farms, to be worked and managed by skilled Cubans, have just been established at De Funiak Springs, Fla. Tobacco grown there from Havana seed is said to be even finer and more delicately flavored than that from Cuba itself.

The material prosperity of the South doesn't compare with what it enjoyed thirty years ago; the vigorous life apparent in a few isolated localities in the South is derived from the Southern fathers of the men who manifest it; and the influence which refuge and elevate human existence have always been potential in the South.

The Jewish community in London will see the Jewish Chronicle, shortly receive a rare guest in the person of a lady Bachelor of Arts of the Bombay University, Miss Marian Samuel. She is the daughter of a Portuguese merchant settled in Bombay, and has obtained her position at the university solely through private instruction.

Alexandria, where he was obliged to take steamer, as there was no road. The Scotch Local Government bill passed a reading in the Commons.

Savannah intends spending \$120,000 in improving her water-supply. The Emperor has offered a gold and silver ship as a prize to the Berlin Yacht Club.

It is reported that the Prince of Wales is willing to become an active leader of society in Ireland. The London Standard states that Germany will not sell estates in Samoa, or refrain from chastising Matane.

Twelve thousand men are still on strike at Sear and have asked the Emperor to receive a deputation from them. The Indians of Dakota ask \$11,000,000 for the land they propose to sell. The red man has become a sharp trader.

Governor Foraker has authorized the announcement that he is not in the field for a third term as the Governor of Ohio. A committee of the Connecticut Legislature estimates the cost of eliminating grade crossings in the State at \$2,688,627.

It has been suggested in London that a conference of experts with regard to the disease of leprosy should be held in Europe. Prince Alois Schwarzenberg and a Lieutenant of the Hussars fought a duel at Vienna, and the former was mortally wounded.

It is said that gambling which has been one of the marked features of life at Long Branch, is to be suppressed the coming season. Lucius Pond, once a Massachusetts State Senator, and who served a term in the Penitentiary for forgery, died at Worcester, Mass., May 21st.

A cablegram has been sent to Auckland, to be carried by the first steamer to Samoa, directing Admiral Kimberly to furnish the natives who heed them with rations.
